Significant Sentences: Internal World of the Characters

Quote from the story that shows the internal information/observations of the characters (omniscient narrator)	Explanation and significance to the story
"A gnawing doubt crept in. He [Antonio] cut negative thinking real quick by doing some speedy fancy dance steps, bobbing and weaving like mercury."	Antonio is becoming worried that the fight between him and Felix may endanger their friendship after all, but he is determined not to let it affect his performance in the fight.
