

Significant Sentences: Character in Bone Black

Quote

Why it's important/what it shows about the character

"If he was punished, she would want to be punished too."

This quote shows that she cares about her brother. Even though he's mean to her and deserves to get punished, she doesn't want him to be punished. She feels close enough to him that she wants to share everything with him, including punishment.

Directions:

Choose 3 of the "significant sentences" you've highlighted. Then, explain what they reveal about the character.
